Hi Susan,

I'm working on the WA hydro permits and 2 of the hydro permits have significant EJ communities. Is the only thing that I have to do is fill out the form from the Sharepoint EJ file and send to Running Grass? I don't think our permit will have a significant effect on the communities. There are also two other dams that are maybes, and I'm inclined to fill out the forms. Please let me know if you'd prefer I set up a 15 minute meeting with you. Attached above are John's EJ screens.

Grand Coulee, McNary – yes

The Dalles and Lower Monumental – maybe

Thanks! – Jenny
